The Stone of Knowledge

Ki ngā akomanga whakaputanga 2024

To the graduating classes of 2024

I te tau 2011, ka whakatōhia te 'kōhatu whakapōtaetanga' hei tohu motuhake mo te Whakanui i te rā Whakapōtaetanga.

Nō te maunga o Pūtauaki te kōhatu, te maunga tapu o ngā Tīpuna o Ngāti Awa whānui, Ka huraina, kātahi ka whakatapua me ngā karakia tawhito (karakia), i te timatatanga o te whakanui i te whakapōtaetanga. Ka whakapaa te katoa o ngā tauira e whakapōtaetia ana, ki te kōhatu i mua i te āpiha whakapōtaetanga o te Kaunihera.

I ahu mai te whakaaro ki te whakatō i tēnei āhuatanga, e ai ki ngā tikanga o ngā whare wānanga tūturu e ai ki ngā whakamārama a S. Percy Smith i roto i ana tuhinga 'The Lore of the Whare Wānanga'. Ko ngā tauira e haere ana ki te Whare Wānanga, noho ai ki runga i ngā tūru kōhatu, ana ka tutuki ana ā rātou mahi i whakatautia, whai muri i te wāhanga tuawhito, ka whakahautia rātou ki te horomi i te kōhatu āhua kōmā nei, ko te ingoa he whatu kura (he kōhatu mātauranga). I ētahi wā he āhua whero te kara o te kōhatu.

Kaore mātou e tono ana i ngā tauira e whakapōtaetia ana i tēnei rā, kia horomi i te kōhatu mātauranga, ara rānei he kōhatu whakamaumahara. Engari, kua kawea e mātou he huarahi ngāwari ake ki te whakapaa atu ki te kōhatu mātauranga.

Kaore mātou e whakahau ana ngā tauira e whakapōtaetia ana i tēnei wā kia horomi i te kōhatu mātauranga.

In 2011, the use of a 'graduation stone' was introduced as a feature of the Graduation Ceremony.

The Kōhatu comes from Pūtauaki Maunga, the sacred and symbolic Maunga Tipuna of Ngāti Awa whānui. It is unveiled and blessed through appropriate karakia (incantations) at the commencement of the Graduation Ceremony. Every graduating student must touch the stone before meeting the graduating officer of Council.

The idea of using a special stone this way comes from the recorded practices of the traditional Whare Wānanga as described by S. Percy Smith in 'The Lore of the Whare Wānanga'. Students attending the Whare Wānanga sat on stone stools and on completing their courses of instruction, after the seventh session, they were required to swallow a small whitish stone called a whatu kura (a stone of knowledge). Sometimes the stone was of a reddish colour.

We are not proposing that graduating students today should swallow the stone of knowledge or it might be called a memory stone. Rather, we have taken the safer pathway of touching the stone of knowledge.

It should also be noted that the karakia whakapumau is an essential part of graduation. All graduands are required to wait for that final karakia at the conclusion of the graduation ceremony as part of the qualification conferment process in accordance with the tikanga of Te Whare Wānanga o Awanuiārangī .

E ngā iwi, ngā hapu, me ngā whanau. Nau mai ki te rohe o Mataatua, haeremai nga uri whakaheke mai i a Awanuiārangi ki Te Manukatutahi ki te whakanui i te whakapōtaetanga o ngā taura o Te Whare Wānanga o Awanuiārangi, nau mai, haere mai.

Ngāti Awa, Te Whare Wānanga o Awanuiārangi Council and hoamahi warmly welcome graduands, whānau and friends to Te Mānuka Tūtahi in Whakatāne. Today we celebrate the achievements of our graduands who are equipped with the knowledge, skills and expertise for their chosen careers and to effect positive change in their communities. They will depart with the confidence that their tohu is respected, recognised and valued in Aotearoa and internationally.

It has been an honour to ensure our graduands have acquired knowledge based on values of āhuatanga Māori according to tikanga Māori. They are our future leaders and we anticipate their positive contributions through the solutions and innovations they bring to society, our communities and Aotearoa. We are proud that they do so with the values we instil here at Awanuiārangi – manaakitanga, kaitiakitanga, whanaungatanga, pūmautanga, and tumu whakaara.

Nō reira te taura o te mātauranga, ngā whanau, ngā hoa awhina tēnei te mihi ki a koutou, tēnā koutou, tēnā tātau katoa.
