Te Whare Wānanga o Awanuiārangi

Wai Ora (Kaupae 3)

Become an 'eco warrior' looking into the sustainability of our taiao and environment. This level 3 programme will provide the skills and knowledge to understand and apply sustainability practices to coastal and freshwater bodies within local environments, based on mātauranga Māori.

Dates

2 Feb - 21 June 2026

Location

Available nationally
based on demand

Duration

20 weeks

Fees

Tuition fees free

What you'll learn:

A blend of mātauranga Māori with modern environmental knowledge to protect and manage freshwater and marine ecosystems; Māori perspectives on wai (water), kaitiakitanga and environmental wellbeing; practical skills for water monitoring, conservation and restoration; understanding environmental sustainability challenges; Whakapapa mapping of local waterways to connect with ancestral rivers, lakes, and moana and the rights and responsibilities of marae, hapū, and iwi over bodies of water.
