Te Whare Wānanga o Awanuiārangi

Te Aho Pūtaiao Bachelor of Environmental Studies (Level 7)

As we face significant climate challenges and with our natural resources under increasing pressure, the time to act is now - become a champion of our Taiao. Te Aho Pūtaiao - Environmental Studies encompasses not only science perspectives but also the social, cultural, and economic outlooks on the environment, bringing science and mātauranga Māori together.
