Te Whare Wānanga o Awanuiārangi

Wai Ora (Level 4)

A certificate that provides a foundational understanding of rawa wai and tikanga practices around bodies of water and how they can be sustained for future generations. Become an 'eco warrior' and learn how to initiate change to benefit our whanau, hapu and iwi. The purpose of this qualification is to provide graduates who can identify rawa wai and understand how to apply sustainability practices to coastal and freshwater bodies within local communities.
